The HIGHLANDER 1957

Dear Jesus,
Thank you for making me
your child. Help me
to make good choices
in my life.
Amen

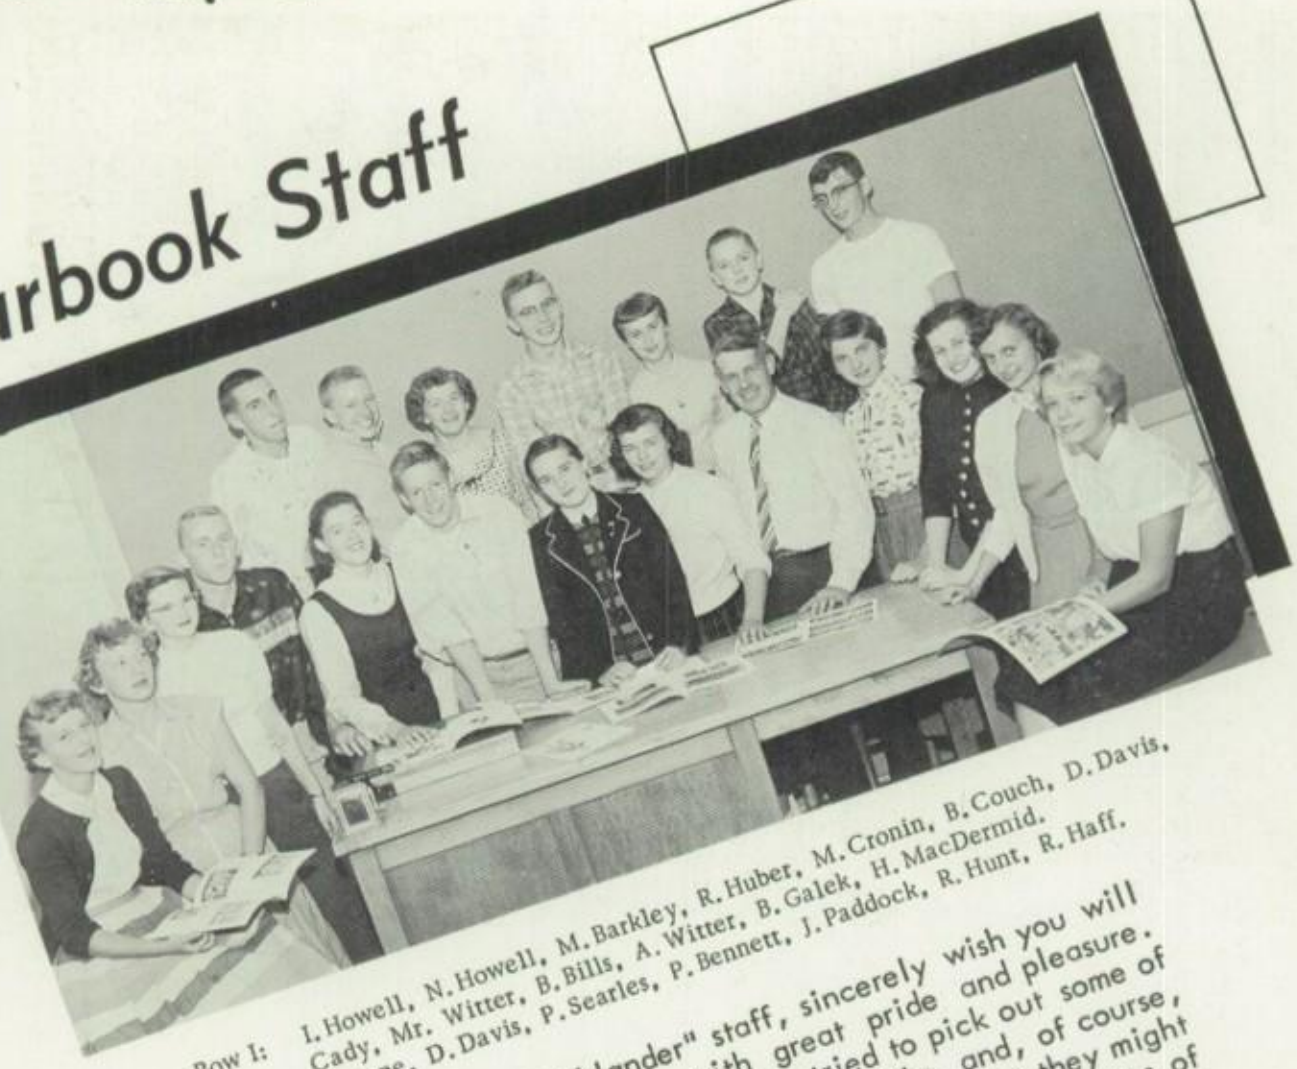
Foreword

The Highlander Staff of '57, with the greatly appreciated help of our advisor, Mr. Witter, has compiled this yearbook as a reference book for the happy memories of the year 1957.

As you look through this yearbook in later years, we hope it will be a memorable reminder of the years spent at your alma mater, Dundee Central School.

Yearbook Staff



Row I: I. Howell, N. Howell, M. Barkley, R. Huber, M. Cronin, B. Couch, D. Davis,
Cady, Mr. Witter, B. Bills, A. Witter, B. Galek, H. MacDermid,
Row II: C. Lane, D. Davis, P. Searles, P. Bennett, J. Paddock, R. Hunt, R. Haff.

We, the "Highlander" staff, sincerely wish you will receive this yearbook with great pride and pleasure. During the past months we have tried to pick out some of the outstanding events, servicing clubs, and, of course, your class picture of this year in order that they might bring back some of the pleasant memories--memories of all the good times which will last through the many years to follow.

As a member of this staff, I would like to express our deepest gratitude to all those on the staff and the Seniors for their assistance in producing this standing tradition of our school. Our advisor, Mr. Witter, deserves our sincere thanks for his assistance and guidance as well as the faculty for their cooperation.

It has been both an honor and a pleasure to work on this year's yearbook. We hope it will meet your approval.

Dedication

It is with great pleasure that we, the Senior Class of 1957, dedicate this year's "Highlander" to Mrs. Gladys MacDowell. Not only the Senior Class but also the entire student body as well as the faculty wish to express their deepest thanks for all her many kindnesses which make all who know her love her.

Mrs. MacDowell, who is a graduate of Dundee High School and Hurst's Business School in Buffalo, has not only reared successfully a family of five children–three boys and two girls–but has also maintained a successful business career. Before coming to Dundee she worked for seven years on the Draft Board in Penn Yan. In 1947, she came to D. C. S. to try secretarial work on a three week trial basis and has been with us ever since.

It is with great pleasure and respect that we the Senior Class dedicate this year's "Highlander" to you, Mrs. MacDowell, for your patience and many kindnesses during our most important years.

Senior History

Thirteen years ago the Class of 1957 began its career at Dundee Central School. At the time we thought little of later years but as time progressed we were determined to become the best class that has passed through the doorways of D. C. S. After seven years we hit the first plateau, Junior High School, then two years later, Senior High School and now we're Seniors. Let's look at the things we have done in Senior High School.

In our freshman year we were a bit green but we managed to survive. For our class play we presented a satire on TV's Arthur Godfrey and Groucho Marx. In the spring we had a wonderful picnic at the fairgrounds, under the supervision of Miss Spencer and Mr. Ballard.

Activities in our Sophomore year came more easily since we were now more experienced. We sold felt letters to augment our treasury. "Scrambled Eggs" was the title of our play directed by Mrs. Frank. The class picnic at Watkins Glen rounded out the year's activities.

The Junior year was started off by selecting Mr. Wallace as our class advisor. Activities for the year consisted of the paper sales and the Christmas card sales both of which were very successful. We started printing a school newspaper which was well received by the student body. Our play, which was directed by Mr. Wallace, was entitled "Hillbilly Weddin'." Who could ever forget Ma and Pa, alias Joan Trenchard and Bob Huber? The Junior Prom was a huge success thanks to the students for getting dates and joining in the evening of fun.

The last and most glorious year is drawing near an end. We have Mr. Wallace as our class advisor and Don Davis as class president. The magazine sales were very successful. We established a new record in total sales. Special thanks is due Bruce Robbins who did a bang-up job in getting subscriptions. In order to get a different atmosphere at the Senior Ball we devised a different and new way of decorating the gym. Half the gym was used for dancing while the other half was used for the chaperones and lounging. The theme of this year's ball was "Winter Fantasy." Once again we presented our class play two nights. This year, under the direction of Mrs. Utter, we produced "On the Night of January 16th." We are now eagerly awaiting the Senior Trip to Washington, Junior-Senior picnic and our most cherished goal, GRADUATION.

It is our sincere wish to those who follow, that their years in D. C. S. might be as fruitful and challenging as ours has been.

Poem

Thank You

Though we now part with great regret
From this school we hold so dear,
We'll not forget the work and play
That we've shared throughout these years.

To our parents who have guided us since
we were very small,
To our principal, advisor, and the faculty
one and all,
Our deepest thanks we give to you
for all that you have done;
Your patience and your fortitude
have helped in work and fun.

Our school so dear and beautiful
Will recall the times we've shared,
As we walked her friendly corridors
Where our joys and woes were aired.

The students whom we leave behind
Are soon to fill our place;
We know they'll do their very best
With pride and utmost grace.

So with grateful hearts and thanks to all,
We begin a phase of life so new,
And hope that each and every one of us
Will prove worthy in whatever we do.

Freda Hubert

Our Sincere

APPRECIATION

MR. WALLACE

As the Class of "57" leaves this school, we wish to express our appreciation to our class advisor, Mr. Wallace, who became our guide in our junior year. He has worked hard to help us tackle and solve our big problems with his fatherly advice.

As juniors we were close to being broke. All through that year he pushed us and helped us accomplish all our goals with the greatest success.

Mr. Wallace was our unanimous choice for class advisor this year. Through his help we have successfully completed our senior year.

Many thanks, Mr. Wallace, from all of us---the Class of 1957 !

Junior Class

The Junior Class started off the year by electing Richard Haff, President; Robert Hunt, Vice President; Robert Briggs, Treasurer; and Jane Paddock, Secretary. Starting in late October we set a new record for selling Christmas cards. Before Christmas vacation, we had our Christmas party. This spring, we will have the Junior Prom, a few more roller-skating parties and the Junior-Senior picnic, to which we are looking forward. With our paper sales constantly adding money to our account, we are looking forward to having enough money for our Senior Trip next year. An enthusiastic audience enjoyed our Junior Play, Spring Fever, presented April 5.

The proudest of our achievements is that we have been the honor class for the entire school year. This is a record that has never been equalled in D.C.S.

Activities

This year has been happy and enjoyable because of the participation in class activities by all students.

Let's start with the Freshmen who are in their first year of high school. Their first activity of the year was a very successful Christmas party. Then they entertained us very well with their assembly, written by the class and directed by Mr. Ballard. They are looking forward to their class picnic this Spring.

Next are the Sophomores, who also had a successful Christmas party. They are now working on their class play and are planning for their picnic at Watkins Glen. By selling "Scotsmen" pins at home basketball games they are earning money.

Now come our rivals, the JUNIORS. They took over the paper sales last spring and are doing very well on it. Their Christmas card sales were very successful and added to their treasury. Their play, "Spring Fever," is cast and practice is in progress with Mrs. Weil directing. Also I might mention their beautiful class rings they received early in the school year. The Junior co-advisors are Mr. Velesenti and Mr. Witter. It has been fun having the class of '58 as our rivals and hope they have much success.

Now comes the mightiest class of all- the SENIORS. If all Senior classes have as much fun as we have had, they can say high school was a success. First off, came our play, "The Night of January 16th," which was directed by Mrs. Utter. Every practice was very lively and after the first production we had a party at a member's home. Next was our magazine sales. Although we didn't surpass our goal, we had the greatest amount of sales, moneywise, than any other class has had at Dundee Central. During the Christmas vacation we had a basketball game, between the alumni of '55 and '56 against the varsity squad, and a dance. Incidentally, the alumni trimmed the varsity. In January came the Senior Ball. Mary Cronin and Kevin Considine, her escort, were chosen Queen and King and reigned for the evening. Other activities which have increased our treasury are ice cream and candy sales. Coming up is our Senior Trip, Junior-Senior picnic, the day when the faculty gets trounced by the Seniors, and last, but not least, GRADUATION.

We are indebted to the faculty for helping us attain our goal, but our special gratitude goes to Mr. Wallace, our advisor, who through the last two years has "fathered" us in the right direction with the greatest success. Mr. Wallace, you'll rate supreme in the book of any member of the Class of 1957.

Boys' Sports

Who's Who?

FOOTBALL

This season in football the Scotsmen had very tough luck. They just couldn't seem to get off on the right foot. The league this year was headed by three very fine teams; Interlaken, Romulus, and Odessa, which made it that much harder for our boys. We won 1 game and lost 5. Our record doesn't indicate the spirit of the boys who played but they worked hard and showed great team spirit. The varsity was a fairly young team made up mostly of juniors. For this reason Coach Ballard said next year's varsity looked very good and Dundee could go all the way if the boys really worked. All we can do is wish them the best of luck. Only Baird Couch, Bob Huber, Dick Kaufman, and Joe Styrcula will be missing due to graduation.

TRACK

Our 1956 track team did very well and Coach Fowler and his boys are to be congratulated. We had some very good meets in which Dundee did very well. Finishing second to Odessa, who had 55 points while the Scotsmen gathered 35, in the league meet. Fowler and MacFarlane placed first in the 100 and 220 yard dashes respectively and earned a trip to Rochester to compete in the Class B championship meet. The team will miss Bob MacFarlane, Les Howell, Norm Davis, Howie Hall, Dave Finnerty, Kendall Seybolt, Al Overacker, and Bill Depew who were graduated last June.

BASEBALL

Last season Coach Ballard had a very fine baseball nine. We went through the season excellently and ended in a tie for first place with Trumansburg. The league decided to have a playoff game at Watkins Glen. The game was a very close one and after the teams sewed back and forth, T-Burg finally came out the victor by a score of 10-8. The Scotsmen finished the season with a 10 won and 4 lost record which is very good. It earned the team a trip to the sectionals to play Phelps. This was a very close game which we lost 3-0. The '57 team will miss the pitching of Norm Davis and the all around playing of Howie Hall, Dave Finnerty, and Larry Herman but should have enough strength to repeat last season.

Batter up !

BASKETBALL

This seems to be the most enjoyable sport in the school and also receives the most school spirit and support. This year's team was as good as any team they have had at DCS. The Scotsmen went through the season with an 8 won and 7 lost record, five of our losses being by four points or less, so you can see we played very good ball. T-Burg took the championship this year with Dundee taking fourth. The Scotsmen again represented this section in the sectionals and played host to Phelps at the Romulus gym. The Scotsmen played as well as they played all season. At the half we were eleven points behind. When the boys came out for the second half, it was a different story. Dundee cut the lead to an "even-steven" basis and early in the fourth quarter it was all tied up. From that point on it was all even. Finally at the sounding buzzer, Phelps with their foul shooting just edged the Scotsmen by a score of 63 to 62. Incidentally, Phelps went on to win the Section 5 Class B championship very easily. Coach Velesenti was very proud of the team and said we could consider our team equal to, or to some extent better than that of Phelps. The Scotsmen should do very well next year, with Dick Haff, Ed Ferry, and Howard Haff back from this year's starting five, but will miss the services of Baird Couch, Joe Strycula, Jerry Strait, and Bob Huber who will be graduated.

The junior varsity did very well this year finishing second to Romulus. They will probably have Ron Hall, Jim Davis, and Phil Davis and a few more move to varsity. We wish them all the best of luck.

Girls' Sports

The girls' sports program has been full of interesting and exciting activities this year.

As always, we take advantage of the fall weather and spend our gym periods and intramural periods outside. To start off the year, our most popular game was soccer, which seems to be a favorite sport among all the students. We had plenty of tough games and exhausted girls, but there were no complaints. All in all I must admit that the girls were in pretty good shape and in good spirits when the soccer season came to a close.

After we finished soccer, the rest of the fall and winter months were spent in the gym getting ready for the basketball season. We began with skills to review pivots, playing techniques, methods of making baskets, and had a brief discussion on the rules. It didn't take long to master those simple skills so within one short week we were off and running. What fun we had! Along with the different teams competing against each other in gym classes and intramural periods, we played against the Penn Yan and Hammondsport girls. We were defeated both times by only a small margin. Don't worry, girls, we'll have better results next year because practice makes perfect, you know.

After basketball came volleyball, a good game for trimming those long fingernails. This game also has certain skills that must be conquered for good results and good team work. A variety of skills, which were very interesting to see and quite hard to figure out, was developed by the girls. What games we had! I am happy to say, there were no serious injuries but a few broken finger nails, bent fingers, and sore hands, along with a few aches and pains here and there.

For the next few weeks we learned a variety of dance steps which included the foxtrot, waltz, tango, square dancing, and that ever popular jitterbug. The girls that took the part of the boys in the various dances are to be complimented on their good work. Keep it up girls because you have the male part learned better than the real males do themselves.

At the present time we are trying to break our necks at tumbling. Let's face it, girls! Some of us just aren't made for it. This sport is a favorite with those who have quick, agile, bendable bodies, but for some of us who aren't that loose, it presents a problem of doing hand-springs, flips, backbends, and pyramids. Seriously though, it is a lot of fun and we just couldn't get along without it.

We all want to thank Mrs. Wright for making our gym classes pleasant fun and for starting the bowling tournament on Thursdays after school for the girls that like to bowl. We have learned many new things from your excellent teaching this year and everyone is looking forward to seeing you next year.
